2. We publish a membership list to be given out at the Annual Meeting. Would you like your contact information to be included (This includes the items found on your address labels above.) **YES NO**
If you circled YES, but want to exclude some information, please note what you would like excluded.

Note: This Membership List is for the Archibald Lake members only.

3. The Archibald Lake Association is involved in many projects that involve volunteers. Please check if you or a family member would be willing to help with.

Please contact me if you need help for a project not listed.

4. Due to invasive species, maintaining the ecological balance of the lake has become a major focus of the Association over the past 20 years. Yearly lake surveys to monitor lake health and fighting EWM have been two of the more costly lake projects. Some members have made additional donations for the Lake Ecology Fund, which supports these efforts. Please consider adding an additional donation if you are able.

I am enclosing an additional donation for the Lake Ecology Fund.

Please write any comments or suggestions on the back of this sheet.
