## HAPPY NEW YEAR

We hope that you had a happy holiday season and are looking forward to 2025 and to many good times, especially your time at Archibald Lake. Here at the Archibald Lake Association, we are beginning our Membership season. As always, we are asking current members to renew their memberships. Additionally, we are asking those of you who are not members with property or cabins near or on the lake to consider joining or rejoining our Association.

First of all, we would like to **thank all of you** who renewed and joined the Association in 2024. We had 142 members in 2024. We would like to give a **special thank you** to those who contributed extra to our ecology initiative in 2024. 64 members donated \$4640 to the ecology fund! All these funds help us maintain and improve Archibald Lake.

We are aware that many of you have adult children with families who spend quality time with you at the lake. We encourage you to talk to them about the value of also becoming members. If they are interested in joining the Association, please let us know, and Steve can send them the needed forms and information.

This year, we are also asking you to indicate whether we can contact you by text, if needed. We found last year that many of you indicated a preference for texting. If that works for you, let us know on the Membership form.

Last year we sent everyone a complete list of the many Association accomplishments over the years. If you would like to see that list again please go to the Association website at

The Archi Times comes out 3 times a year (Spring, Summer, and Fall). It provides our members with information about our Association activities and volunteer opportunities. You can help support us by volunteering in a number of different ways. Please check the appropriate boxes on the membership form if you are willing and able to help.

Once again, we welcome you to the 2025 Archibald season. We hope to see you at our Annual Meeting on Saturday June 21 and at our Annual Picnic on Saturday August 16.
